## 2 BASIS OF CONTRACT

2.1 The Order constitutes an offer by the Customer to purchase Goods and/or Services in accordance with these Conditions.

2.2 The Order shall only be deemed to be accepted when the Supplier issues written acceptance of the Order at which point and on which date the Contract shall come into existence ("**Commencement Date**").

2.3 The Contract constitutes the entire agreement between the parties and supersedes all previous proposals, both oral and written, negotiations, representations, commitments, writings and all other communications between the parties. No waiver, alteration, modification or addition to the Contract, including these Conditions, will be binding unless expressly agreed to in writing and signed by duly authorized representatives of Customer and Supplier. The Customer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of the Supplier that is not set out in the Contract.

2.4 Any samples, drawings, descriptive matter or advertising issued by the Supplier and any descriptions of the Goods or illustrations or descriptions of the Services contained in the Supplier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Services and/or Goods described in them. They shall not form part of the Contract or have any contractual force.

2.5 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing. These Conditions apply to all quotations, proposals and offers made by Supplier and Orders and other procurement documents issued by Customer. To the extent that these Conditions conflict with or are different from the terms and conditions contained in any Customer Order and other procurement document, these Conditions will control and any additional or inconsistent terms are rejected by Supplier unless Supplier's acceptance is in writing and specifically refers to each such additional or conflicting term. No change, rescission, discharge, abandonment or waiver of these Conditions shall be binding upon Supplier unless made in writing and signed on its behalf by an authorized representative of Supplier. Customer's acceptance of or payment for Goods and/or Services will conclusively confirm Customer's assent to these Conditions.

2.6 Any quotation given by the Supplier shall not constitute an offer, and is only valid for a period of 30 days from its date of issue unless stipulated otherwise.

2.7 All of these Conditions shall apply to the supply of both Goods and Services except where application to one or the other is specified.

## 3 GOODS

3.1 The Goods are described in the Goods Specification.

3.2 To the extent that the Supplier agrees to do anything under the Contract on the Customer's instructions, then the Customer shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other reasonable professional costs and expenses, including attorney's fees) suffered or incurred by the Supplier in connection with any claim made against the Supplier for actual or alleged infringement of a third party's rights including Intellectual Property Rights arising out of or in connection with the Supplier's following those instructions. This Clause 3.2 shall survive termination of the Contract.

3.4 The Supplier reserves the right to amend the Goods Specification:

The Supplier shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

4.5 If the Supplier fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event the Customer's failure to provide the Supplier with adequate delivery instructions for the Goods or any relevant instruction related to the supply of the Goods.

4.6 If the Customer fails to accept or take delivery of the Goods or fails to clear the Goods through customs respectively within 5 Business Days of the Supplier notifying the Customer that the Goods are ready, then except where such failure or delay is caused by a Force Majeure Event or by the Supplier's failure to comply with its obligations under the Contract in respect of the Goods:

No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise.
