

Waste Industrial Batteries – Take-Back Statement

As a producer of Industrial Batteries under the “Waste Batteries and Accumulators Regulations 2009”, we Wärtsilä Guidance Marine, produce ‘Lithium-Ion’ Secondary Cell and ‘Lithium Thionyl Chloride’ Primary Cell Batteries for use in our Responder Products

We are obliged to take-back (free-of-charge) for treatment and recycling, waste Industrial Batteries placed upon the UK Market. We are required to do this in any calendar year that we place new Industrial Batteries upon the UK Market.

If any of our Customers, or other end users, require us to take-back Industrial Batteries, they should make contact as follows:

Telephone: +44 116 229 2665

E-Mail: customerservices.uk@guidance.eu.com

We will agree the necessary arrangements for the return, proper treatment and recycling of waste Industrial Batteries placed upon the UK Market, which arise from Wärtsilä Guidance Marine Products.
